

REQUEST FOR A LICENCE TO USE GHANA LAW REPORTS / REPORTED JUDGMENTS (COMMERCIAL)

The Registrar / Council for Law Reporting
[ADDRESS]

Dear Sir/Madam,

[ORGANISATION] operates "Juris Kai", a commercial legal-research service for Ghanaian law (subscription-based). We request a licence or access arrangement to use reported judgments and the Ghana Law Reports (GLR), including in an AI retrieval-augmented generation (RAG) system, to answer legal questions for our subscribers, with attribution.

We will not re-publish the reports in bulk, sell them as a standalone database, or misrepresent them; and we will comply with any conditions you impose. Because Juris Kai is a paid service, we specifically request that any licence permit commercial use, and we are willing to pay the applicable licence fee.

Please advise the applicable terms, fees, and format.

Yours faithfully,
